THIYAGARAJ M

JAVA DEVELOPER

Ph: +91 8248633538 | Email: thiyagarajm58@gmail.com | Location: Chennai, India
LinkedIn: linkedin.com/in/thiyagaraj | GitHub: github.com/Thiyagaraj Mohan

PROFILE SUMMARY

Enthusiastic and results-driven Java Developer skilled in building robust backend applications using Java, Spring Boot, and SQL databases. Experienced in end-to-end development including RESTful API design, database relationship mapping with Hibernate, and responsive front-end integration. Adept at agile problem-solving and eager to contribute to high-performance software engineering teams.

TECHNICAL SKILLS

Languages:	Java (Core & Advanced), SQL, HTML5, CSS3
Frameworks & ORM:	Spring Boot, Spring Data JPA, Hibernate, RESTful Web Services
Databases & Tools:	MySQL, Relational Database Management (RDBMS), Maven, Git, GitHub
Core Concepts:	Object-Oriented Programming (OOP), CRUD Operations, Data Structures

KEY PROJECTS

Employee Management System

Personal Project

Technologies: Java, Spring Boot, Hibernate, SQL, HTML, CSS, REST APIs

- Engineered a web-based management application to streamline employee record creation, updating, and indexing.
- Implemented Spring Boot backend architecture and designed REST APIs to process CRUD requests efficiently.
- Utilized Hibernate and SQL database mappings to optimize record retrieval and ensure transactional data integrity.
- Designed responsive user interfaces using HTML and CSS, adding strict client and server-side validation to reduce input error rates.

E-Commerce Web Application

Personal Project

Technologies: Java, Spring Boot, Hibernate, MySQL

- Developed a functional e-commerce platform incorporating product discovery, dynamic search, and shopping cart management modules.
- Designed normalized relational database schemas for products, user accounts, and customer order records.
- Built clean front-end UI layouts for seamless cross-device shopping navigation.
- Executed end-to-end testing and bug fixing across key user flows, significantly improving reliability and response times.

EDUCATION

B.Sc. in Computer Science (Artificial Intelligence)

2023 – 2026

S.A. College of Arts & Science, Chennai | Aggregate: 65%

CERTIFICATIONS

- **IBM SkillsBuild Certification:** Enterprise Application Development with Java & Spring Boot
- **STEM Certificate Program:** Advanced Software Development & Logic Building
